Jaycees Country Music Festival

On Nov. 14, 1969, the Appomattox County Jaycees will conduct their Annual Country Music Festival. This contest will be held at the Appomattox High School Auditorium on Friday night, Nov. 14, begining at 8 p.m.

This Country Music Festival will be a contest between many area bands and singers as it has been now for over ten (10) years.

There will be three cash awards to the winners. First place award will be $25; second place $15; and third place $10. All area country music bands or singers are urged to fill out the registration form found in this newspaper and mail it back to Curtis Wooten of Spout Spring, Va., before Nov. 5, 1969. You may also stop by the Times-Virginian office on Court Street in Appomattox and pick up registration forms.

The Appomattox County Jaycees prize this project as one of their best. For over ten years now, your local Jaycees have held this contest and then used all of the proceeds to carry under - priviledged children of Appomattox County on a Christmas Shopping Tour.

Last year the Appomattox County Jaycees carried about forty (40) children shopping and as in the past, it was a most successful event. If the citizens of Appomattox County could see the warm and appreciative thanks on these small faces, then I am sure each of you would attend our Country Music Festival.

We urge each of you to attend our show this year. Ticket prices will be $1.50 for adults and 50¢ for children.

Read next week's Times-Virginian for news about the upcoming Master of Ceremonies for the Jaycee Country Music Festival.

How To Stop A Groundhog

How do you stop a Groundhog? Ask anybody at Jones Exterminating Co.

Besides the time - honored method of "shootin' the critter", there's a new answer – electricity. Jones says that one of his clients constructed an electric fence around a garden plot this year, and that gave the rest of the wild world to the groundhogs, but not even an inch of precious vegetable land to the hungry pests. An electric fence will shock a groundhog as fast as it will a human; in fact, says Jones, the groundhog's hair makes a very good conductor.

So, some fences are for "locking in" and others are for "locking out" with consequent bad luck for any groundhogs looking for lunch.

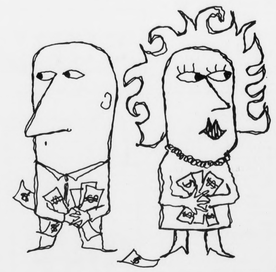
State Farm is all you need to know about insurance.



Fidelity is after your money!

Now that you've earned it, we want you to save part of it . . . with us. To encourage you, we've come up with a number of solid reasons that make solid sense.

For instance, Fidelity is far more convenient to more people than any other bank in this part of Virginia. You can not only save but do all your banking at Fidelity.

You can save by mail with Fidelity, and your savings are safe . . . insured to $15,000 by F.D.I.C. A husband and wife can be insured up to $45,000 by having individual accounts and a joint account.

Regular passbook savings accounts earn 4% interest, compounded quarterly, so that your interest earns interest. And your money is always available for instant use when you need it.

As an added convenience, you can save automatically by letting Fidelity do it for you. Just tell us to deduct a specific amount from your checking account each month and we'll deposit it in your savings account.

5% Fidelity Savings Certificates have an effective annual yield of 5.1271% when the interest is left to accumulate for one year, because it is compounded continuously. No bank pays more. Our certificates are flexible as to investment and length of time. Start with $500 or more with terms of three months or longer. Fidelity Savings Certificates are automatically renewable and your interest can be mailed to you, deposited in your checking or savings account, or left to earn even more interest.

Visit the Fidelity office nearest you and start your savings program. But do it now. You know what they say about tomorrow.
